INDEPENDENT AUDITOR'S REPORT

We have audited the attached Balance Sheet of **PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA** P.O. –Kanpur, Howrah as at 31st March, 2017 and also the Income & Expenditure Account and Receipts & Payments Account of the college for the year ended on that date annexed thereto. These financial statements are prepared by the College Management. Our responsibility is to express an opinion on these financial statements based on our Audit.

We have conducted Audit in accordance with auditing standards generally accepted in India. These statements require that we plan and perform the Audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An Audit includes, examining on a test basis, evidences supporting the amounts and disclosures in the financial statements. An Audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation; we believe that our audit provides a reasonable basis for our opinion.

Audit Observation

- a) Fixed Assets Register is required to be maintain and update properly & regularly with proper identification mark on physical assets.
- b) Fees received from students are transferred to General Fund instead of respective funds for which fees are collected.

Further to our comments as above and subject to the notes on accounts, we report that:

1. We have obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purpose of our audit;
2. In our opinion, proper books of account and registers have been kept by the college, so far as appear from our examination of those books and other relevant documents produced before us for our verification;
3. The Balance Sheet, the Income & Expenditure Account and the Receipts & Payments Account dealt with by this report are in agreement with the books of account.
4. In our opinion and to the best of our information and according to the explanations given to us, the said account give a true and fair view:
 - (i) In case of Balance Sheet of the State of Affairs of the College as at 31st March, 2017;
 - (ii) In case of Income & Expenditure Accounts of the Deficit being the excess of expenditure over income for the year ended on that date.

NOTES ON ACCOUNTS AND SIGNIFICANT ACCOUNTING POLICIES AS ON 31.03.17

1. BASIS OF ACCOUNTING

The financial statement is prepared on payment basis under historical cost convention as per generally accepted accounting principles excepting income from investment and retirement benefits which are generally considered on cash basis.

2. FIXED ASSETS

All fixed assets other than land are stated at net book value without showing original cost and accumulated depreciation. Additions to fixed assets are stated at cost of acquisition inclusive of taxes, duties, freight and other incidental expenses related to the acquisition.

3. DEPRECIATION

Generally, depreciation on fixed assets other than land is provided on reducing balance method. The rate of depreciation provided are as follows:

Particulars	Rate
Building	06.00%
Computer software for office management	40.00%
Computer (office)	40.00%
Electrical installation	20.00%
Furniture & Fixture	18.10%
Library Books	20.00%
Laboratory Equipment	13.91%
Generator	15.00%
Tube Well	15.00%
Photocopier	30.00%

4. Investment

Investments are long term in nature and are started at cost. Earnings on investment are accounted for on cash basis. Incentive, if any time of making the investments is treated as revenue income.

INDEPENDENT AUDITOR'S REPORT

To
The Director of Public Instructions, Education Directorate,
College Audit Cell, Bikash Bhavan,
Salt Lake, Kolkata- 700 091

1. Report on the Financial Statements

We have audited, in terms of the appointment conferred on us (vide Memo No. CA / 14 / 2019 dated June 12, 2019), the accompanying Financial Statements of the **PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA**, affiliated to the University of Calcutta (hereinafter referred to as "the College"), P.O. : Kanpur, Dist. : Howrah, West Bengal - 711 410, which comprise of the Balance Sheet as at March 31, 2018, the Income & Expenditure Account and the Receipts & Payment Account for the year then ended; and a summary of Significant Accounting Policies and other explanatory information, annexed thereto.

2. Management's Responsibility for the Financial Statements

- 2.1. The College's Management is responsible for the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the College in accordance with the generally accepted accounting principles (GAAP) in India, including the applicable Accounting Standards.
- 2.2. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the College and for preventing and detecting frauds and other irregularities; the selection and application of appropriate Accounting Policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that operate effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Financial Statements by the Management of the College, as aforesaid.
- 2.3. In preparing these Financial Statements, the Management is also responsible for assessing the College's ability to continue as a going concern and using the going concern basis of accounting unless the Management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.
- 2.4. The College's Management is also responsible for overseeing the College's financial reporting process.

3. Auditor's Responsibility

- 3.1. Our responsibility is to express an opinion on these Financial Statements based on our audit. While conducting the audit, we have taken into account the Accounting as well as Auditing Standards and other pronouncements of the Institute of Chartered Accountants of India. Those Standards require that, we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement.
- 3.2. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Financial Statements. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the Auditor considers internal financial control relevant to the College's preparation of the Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the College has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by College's Management, as well as evaluating the overall presentation of the Financial Statements.
- 3.3. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a reasonable basis for our audit opinion on the Financial Statements.

Cont'd....2

4. Opinion

Continuation Sheet

In our opinion and to the best of our information and according to the explanations given to us and subject to the observations placed under Clause 5 below, the aforesaid Financial Statements give the information required in the aforesaid Appointment Letter issued by your good office and are prepared, in all material respects, in accordance with the terms of the said Appointment Letter (vide Memo No. CA / 14 / 2019 dated June 12, 2019).

5. Observations

5.1. Fees Collections :

- 5.1.1 Collections of Fees from the Students are comprised of Fees for several purposes and are getting deposited to the Bank Accounts pertaining to the General Fund without resorting to matching transfers to the corresponding earmarked Funds for which the same are being collected. Apart from the Registration Fees of Rs. 24,600/=, the total amount of Fees collected from the Students during the year are clubbed and shown under "College Fees" at Rs. 32,52,071/=.
- 5.1.2 Owing to such non-transfers, the related expenditures pertaining to those earmarked Funds are being incurred from the General Fund without the requisite Inter-Fund adjustments. We understand that, there might have been instances of such non-adjustments and / or non-reconciliation of Inter-Fund transactions in earlier years. Consequently, several such Funds are reflecting Opening as well as Closing balances, which are not getting parallelly represented with the corresponding balances in the respective Savings Bank and / or Fixed Deposits. The details are tabulated below :

Sl. No.	Name of the Fund	Fund's Opening Balance as on 01.04.2017	Corresponding Savings Bank & Fixed Deposit Balances as on 01.04.2017			Fund's Closing Balance as on 31.03.2018	Corresponding Savings Bank & Fixed Deposit Balances as on 31.03.2018		
			Savings Deposit	Fixed Deposit	TOTAL		Savings Deposit	Fixed Deposit	TOTAL
1]	Development Fund	43,179.00	12,179.00	-	12,179.00	43,658.00	12,658.00	-	12,658.00
2]	Electricity Fund	63,137.00	63,062.00	-	63,062.00	66,100.00	66,025.00	-	66,025.00
3]	Library Fund	2,96,154.00	29,459.00	63,877.00	93,336.00	3,27,403.00	30,824.00	93,761.00	1,24,585.00
4]	Laboratory Deposit Fund	56,603.00	58,907.00	-	58,907.00	58,887.00	61,191.00	-	61,191.00
5]	Session Charges Fund	1,61,206.00	3,631.00	-	3,631.00	1,08,752.00	3,777.00	-	3,777.00

- 5.1.3. Albeit, as stated in Note No. 2.1.4. to the Financial Statements, Collections of Fees are being accounted for on Cash-basis, yet the required reconciliation of the same with the outstanding Fees from Students couldn't be placed for our verification.

5.2. Fixed Assets and Depreciation :

- 5.2.1. No Fixed Assets Register with proper records showing full particulars including quantitative details and situation of its Fixed Assets is being maintained by the College.
- 5.2.2. Supportive evidence, if any, as regards carrying out of physical verification of Fixed Assets of the College during the year by its Management at reasonable intervals or otherwise, having regard to the size of the College and the nature of its assets, could be placed for our verification.
- 5.2.3.1. All Tangible Assets are stated at their respective written down values with no disclosures as regards their Original Cost of acquisitions and accumulated depreciation thereof. Albeit, the Clause 2 of the "Notes on Accounts and Significant Accounting Policies as on 31.03.2017", as appearing in and forming part of the last year's Audited Balance Sheet, speaks of a Fixed Asset in the form of Land on which no depreciation is being charged, yet, no such separate disclosure could be traced in the Financial Statements for that year. Neither any such Head of Account is appearing in the Current Year's Schedule of Fixed Assets (Schedule No. 17) nor is the same noticed to have been shown in the related Annexure - 2.
- 5.2.3.2. Present valuation of College's Land and Buildings has not been done and we are of the opinion that, necessary scrutiny may be initiated by the Management to identify the valuation of Land and suitably be disclosed in the Financial Statements.
- 5.2.4.1. Several procurements that are capital in nature, made out of the "Plan Block Grant Head 35" component of the University Grants Commission (UGC) Grants, sanctioned and released in favour of the College, are being charged off as part of the concerned Grant expenditures and are by and large not being capitalized. In other words, assets acquired out of the Grants received from the UGC are not being separately disclosed in the Schedule of Fixed Assets and might have been shown as clubbed with other assets of similar nature (Refer Note No. 4.2.1. to the Financial Statements).
- 5.2.4.2. The said Note to the Financial Statements indicates that assets of permanent and semi-permanent in nature including Library Books worth Rs. 8,748/= have been procured out of the UGC Grant amounts. However, the requisite accounting effects have not been given for suitable capitalization of the concerned items and charging depreciation on the same.

Cont'd....3

Continuation Sheet

- 5.2.4.3 We therefore, recommend that the original costs of the concerned assets may well be identified and suitably brought back in the books of accounts at their respective Written Down Values as on a suitable cut-off date and a Project Capital Assets Fund or the like may suitably be introduced and maintained for proper disclosure and presentation of the same.
- 5.2.5 Owing to non-capitalisation of assets procured out of the UGC Grant Funds, depreciations are not being charged on the same. Had the necessary capitalisation been carried out and the depreciation been charged thereon, the Surplus for the year and the balance of the General Fund would have been reduced by an identical margin.

5.3. Govt. Grants :

The individual incumbent-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, are now getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Accordingly, the College has the normal practice of not routing the quanta of receipts of Govt.'s Pay & Allowance Grants, which are revenue in nature and the matching disbursements thereof, through the Receipt and Payment Account; but are disclosed through the Income & Expenditure Account and the unutilised balance, if any, of such Grants are duly shown in the Balance Sheet.

5.4. Cash in hand :

As we have taken up the audit after the close of the Accounting Year so we could not physically verify the Cash in Hand on 31st March, 2018 but we have relied on the physical counting of cash in hand by the Accountant as on that date on the presence of Bursar and Principal and found Rs. 57,110/= (Rupees Fifty Seven Thousand One Hundred Ten) only. During the course of our visit, we have physically verified the Cash Balance of Rs.1,705/= (Rupees One Thousand Seven Hundred and Five) only as on 16th March, 2020 and found them to be correct.

5.5. Cash of Bank :

All the Bank Balances were verified by us and except the Current Account (No. 11030420905) held with State Bank of India, Howrah Branch, none of the Bank Accounts deserve any reconciliation with their corresponding Bank Statement / Pass Book balances. Bank Reconciliation Statement of the aforesaid Current Account is attached separately.

5.6. Fixed Deposits with Banks :

The College doesn't own any Fixed Deposits pertaining to its General Fund. As narrated in Note No. 2.7. to the Financial Statements, the College maintains Fixed Deposits under a few Designated Funds, aggregating to Rs.2,39,593.09 as detailed in Schedule - 18 forming part of the Financial Statements under review.

6. Other Reporting Responsibilities

- 6.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Financial Statements and have found them to be satisfactory ;
- 6.2. In our opinion, proper books of account as required by law relating to the preparation of the aforesaid Financial Statements have been kept by the College so far as it appears from our examination of those books ;
- 6.3. No property or funds of the College were applied for any objects / purpose other than the objects / purpose of the College ;
- 6.4. In our opinion, the Financial Statements comply with the Accounting Standards to the extent applicable to the organization ;
- 6.5. The Financial Statements dealt with by this Report, read in conjunction with the Significant Accounting Policies, are in agreement with the relevant books of account maintained for the purpose of preparation of the Financial Statement.

In conclusion we convey our cordial thanks to the Principal, Management Board and all Teaching and Non-teaching Staff, particularly the Ex-Teacher-in-Charge and the Accountant of the College for their sincere help and active cooperation for smooth conduct and completion of the Audit especially under the prevailing pandemic situation.

SCHEDULE - "29" : SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

Organisation Status : PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA is one of the oldest rural general Degree Colleges in established in 1966, West Bengal, affiliated to the University of Calcutta. Long cherished dream of Late Haridas Nandi for providing higher education to the youths of the locality was materialized under the benevolent leadership of his able son Dr. Jitendra Nath Nandi with the whole hearted participation, help and cooperation of some dedicated souls and fine minds of the locality to offer college education to the youths of the locality for developing the local community and building the nation by transforming human population into enlightened human resources. With the emerging skills, technologies and new horizons of professional avenues, this institution is ever ready expanding the number of courses and programmes to enable its students to cope-up with the challenge of the time.

Significant Accounting Policies : This note provides a list of the Significant Accounting Policies adopted in the preparation of this Financial Statements of PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA (hereinafter referred to as "the College").

1.1 Basis of Preparation of Financial Statements -

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the prescribed Accounting Standards, Guidance Notes and other pronouncements of the Institute of Chartered Accountants of India (ICAI) ;

Accounting Standards issued by ICAI apply in respect of any enterprise (whether organised in corporate, co-operative or other forms) engaged in commercial, industrial or business activities, irrespective of whether it is profit oriented or it is established for charitable or religious purposes. Accounting Standards will not, however, apply to enterprises only carrying on the activities, which are not of commercial, industrial or business nature. In other words, exclusion of an enterprise from the applicability of the Accounting Standards would be permissible only if no part of the activity of such enterprise is commercial, industrial or business in nature ;

The College is not carrying on any activity in the nature of commercial, industrial or business in the sense that, Funds sanctioned and released by the Department of Higher Education, Govt. of West Bengal towards financial assistance to the College in line with other Govt. aided Colleges and Institutions are specifically earmarked for which those are granted, thereby rendering the College to provide only an intermediary service, which is basically non-commercial in nature, and virtually doesn't generate any revenue to the College to that effect. Accordingly, the Accounting Standards have not been considered as mandatory and have been followed to the extent practicable and / or relevant ;

The Financial Statements have been prepared and presented in accordance with the historical cost convention under Cash-basis of accounting except stated otherwise and as a going concern. The accounting policies adopted in the preparation of the Financial Statements are consistently being followed by the College and except for the change, if any, in the Accounting Policies that are stated in the form of a Note to the Financial Statements, are consistent with those applied in the previous year ;

1.1.5 The Financial Statements are presented in Indian Rupees.

1.2 Revenue recognition -

2.1.1 Tuition and other Fees relating to current academic session are recognised on receipt.

2.1.2 Interest income from bank deposits is accrued using the effective interest method and as certified by the concerned bankers at the year-end in the relevant cases.

1.3 Use of Estimates -

2.1.3 The preparation of the Financial Statements in conformity with the Indian GAAP requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, including contingent liabilities, if any, on the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. Based on the Management's best knowledge of current events and actions, the Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to uncertainty about these assumptions and estimates and the difference between actual results and estimates are recognized in the period in which the results are known / materialize.

1.4 Fixed Assets -

2.4.1 All Tangible Assets are stated at their respective Written Down Values. However, due to non-availability of relevant records, the corresponding original costs of acquisitions and accumulated depreciation thereon could not be updated and hence, are not disclosed.

2.4.2 Addition to Tangible Assets are stated at cost of acquisitions, which includes direct expenditures incurred for acquisition or construction and/or installation of the assets and the share of indirect expenses comprised of attributable other costs including financial cost. Direct costs are capitalised until Fixed Assets are ready for use ;

Cont'd....2

Chandan K. Jana

Any expenditure related to an item of Fixed Assets is added to its book value only if it increases the future benefits of the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repairs and maintenance expenditures and cost of replacing parts, are charged to the Income & Expenditure Account for the period during which such expenses are incurred.

Depreciation on Fixed Assets other than Land is charged under the "Written Down Value" method at the rates specified below :

Sl. No.	Particulars of Assets	Rate of Depreciation (%)
4.1	Building	6
4.2	Computer & Accessories	40
4.3	Computer Software	40
4.4	Xerox Machine	40
4.5	Electrical Installations	20
4.6	Water Cooler	20
4.7	Audio-visual Equipment	20
4.8	Safety Measure Equipment	20
4.9	Furniture & Fixtures	18.1
4.10	Library Books	20
4.11	Generator	20
4.12	Tube Well	20
4.13	Laboratory Equipment	13.91
4.14	Gymnasium & Drinking Water	10

Designated Funds -

These represent unrestricted Funds which have been set aside by the Management by suitable and judicious allocation of available of Funds that are either considered to be not immediately required for expenditure or have been received towards some specific purposes.

Investments of Designated Funds -

The available investible Funds are invested in Term Deposits with banks, leaving the balances in the corresponding Savings Bank Accounts till further investments are made. Earnings on these investments are accounted for on cash basis and are added to the respective Funds and not treated as income of the College.

Investments are in the nature of Long-term Investments and are carried at their costs.

Employee Benefits -

Short Term Employee Benefit is recognized as expense in the Income & Expenditure Account of the year in which related service is rendered.

Post employment and other Long Term Employee Benefits are being treated in the following manner :

Gratuity - In view of the fact that, Gratuities and Pensions are being paid to the eligible retiring employees directly by the Government of West Bengal, provisions towards liabilities for the same are not being made in the accounts.

Leave Encashment on cessation of Service - The quanta of dues towards Leave Encashment, payable to the eligible staff members are being settled through the Department of Higher Education, Govt. of West Bengal on cessation of respective services. Further, expenditure towards Leave Encashment Salary is allowable only on actual payment basis under the Income Tax Act, 1961. Accordingly, the College Authority considers that, acknowledging the liability for terminal salary for Leave Encashment and creating a suitable resultant provision for the same, would be redundant. Thus, no liability towards the same is being provided for in the accounts.

All the employees (both academic and non-academic) of the College have been privileged with the General Provident Fund facilities and hence, no provision towards Provident Fund dues has been made in the current year.

Provisions, Contingent Liabilities and Contingent Assets -

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that, there will be an outflow of resources to settle a reliably estimable obligation. Contingent liabilities are not recognised but are disclosed by way of Notes. Contingent assets are neither recognized nor disclosed in the Financial Statements. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

Grants-in-Aid :

Grants of the nature of contributions towards capital expenditures are being credited to the respective Funds. Grants for meeting revenue expenditures are treated as income of the year for which they are realized, except that they will be treated as accrued income where sanctions have been issued either before the last day of the year or for the year and there is reasonable certainty of collection and realization.

Notes to the Accounts

Interest earned on investments in Term Deposits are supposed to be accounted for on cash basis on their maturity, yet, owing to inadvertence, the necessary adjustments have not been made in the books of accounts over the past several years. Consequently, even after a few renewals on maturity of the respective terms of investments, these were continuing to be shown at their original cost of investments.

However, the slips have duly been identified and necessary adjustments amounting to Rs. 77,005.69, towards interests earned in the relevant Designated Funds, as tabulated under Schedule - 18, have been made during the year.

Certificate as regards proper utilisation of Grants of Rs. 6,86,340/- sanctioned towards "Plan Block Grant Head 31" and "Plan Block Grant Head 35" by the University Grants Commission (UGC), in accordance with the terms and conditions as stipulated in the relevant Sanction Letter (vide UGC Letter No. WC2-098/12-13 (ERO) dated 28.03.2014), has duly been obtained from a Firm of Chartered Accountants during the year on the basis of the Statements of Income & Expenditure audited by them. Whereas Rs. 3,75,088/-, including a procurement of Rs. 8,748/- for Library Books, have been utilized in the current year, a cumulative sum of Rs. 3,14,474/- were spent out of the said Grant amount during the last couple of years along with a College Contributions of Rs. 3,222/- towards the same. These expenditures out of said UGC Grant, *inter alia*, include procurements of permanent and semi-permanent Assets and are disclosed under 'Amounts utilised during the year' in Schedule - 14 to the Financial Statements, detailing unutilised portions of UGC Grants.

However, necessary adjustments in relation with the aforesaid expenditures have not been properly carried out vis-à-vis the unutilized balance of the said Grant in earlier years. Accordingly, on the basis of requisite reconciliation an amount of Rs. 21,985/- has been adjusted with the General Fund of the College during the year.

Apart from the unspent balance of Rs. 846/- of UGC - XI th Plan for M.R.P in Humanities & Social Science, the unutilised portion of UGC Grants amounting to Rs. 4,94,509.15 (Refer Schedule - 14), *inter alia*, includes Rs. 4,78,498/-, being unspent balance of Grants received towards Salary to Substitution Teachers. The balance Rs. 15,165.15 of unutilised UGC Grants represents interests received from Banks holding the corresponding Savings Deposits.

The individual employee-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, used to be received by the College and getting credited to its own Bank Accounts, are now getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Thus, owing to the virtual absence of any scopes, either for receipts of the Govt.'s Pay & Allowance Grants or carrying out necessary deductions towards the above-stated heads or making disbursements thereof, the College has developed the normal practice of not depicting the related transactions through the Receipt and Payment Account, but is disclosing the same (net amount of Salaries & Allowances) through the Income & Expenditure Account. Needless to mention that, the practice does not leave any unspent balance of these Grants.

Group Insurance Premia amounting to Rs. 1,106/- that are recoverable from staff and shown in Schedule - 26 to the Financial Statements, represents portions of premia recoverable from a few Teaching Staff, who have gone for respective Study Leaves and are not in a position to deposit their share of premium under the GSLI Scheme. With a view to let them continue with the Schematic benefits, the College has deposited the same on their behalf.

Receipts of Rs. 55,410/- towards Travelling and Washing Allowances for NCC Cadets, although has been deposited in the Current A/c. (No. 11030420905), held with State Bank of India, Howrah Branch and duly shown in the Receipts & Payment account for the year, yet, the same not being considered as an income of the College, is considered as Liabilities towards the said purposes and placed in Schedule - 16 to the Financial Statements, detailing Sundry Liabilities, without routing it through the year's Income & Expenditure Account.

Schedules "1" to "29" and Annexures "1" and "2" form an integral part of the Financial Statements.

INDEPENDENT AUDITOR'S REPORT

To
The Director of Public Instructions, Education Directorate,
College Audit Cell, Bikash Bhavan,
Salt Lake, Kolkata- 700 091

1. Opinion

- 1.1. We have audited, in terms of the appointment conferred on us (vide Memo No. CA/14/2019 dated June 12, 2019), the accompanying Financial Statements of the PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA, (hereinafter referred to as "the College") P.O. : Kanpur, Dist. : Howrah, West Bengal - 711 410, which comprise of the Balance Sheet as at March 31, 2019, the Income & Expenditure Account and the Receipts & Payment Account for the year then ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information, annexed thereto.
- 1.2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph, the aforesaid Financial Statements give the information in the manner so required in the aforesaid Appointment Letter issued by your good office and are prepared, in all material respects, in accordance with the terms of the said Appointment Letter (vide Memo No. CA/14/2019 dated June 12, 2019) and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the College as at 31st March, 2019 and its financial performance for the year ended on that date.

2. Basis for Qualified Opinion

2.1. Fees Collections :

- 1.1. Collections of Fees from the Students are comprised of Fees for several purposes and are getting deposited to the Bank Accounts pertaining to the General Fund without resorting to matching transfers to the corresponding earmarked Funds for which the same are being collected.

As stated under Note No. 4.4. in Schedule - "28", the Registration Fees collected from Students, unlike last year, are clubbed with the total amount of Fees collected from the Students during the year and shown under the Head "Collection of Fees from Students" in the Receipt and Payment A/c. as well as in the Income & Expenditure A/c..

- 2.1. Owing to such non-transfers to the earmarked Funds, the related expenditures pertaining to those earmarked Funds are being incurred from the General Fund without the requisite Inter-Fund adjustments. We understand that, there might have been instances of such non-adjustments and / or non-reconciliation of Inter-Fund transactions in earlier years too. Consequently, several such Funds are reflecting Opening as well as Closing balances, which are not getting parallelly represented with the corresponding balances lying in the respective Savings Bank and / or Fixed Deposits. The details are tabulated below :

Sl. No.	Name of the Fund	Fund's Opening Balance as on 01.04.2018	Corresponding Savings Bank & Fixed Deposit Balances as on 01.04.2018			Fund's Closing Balance as on 31.03.2019	Corresponding Savings Bank & Fixed Deposit Balances as on 31.03.2019		
			Savings Deposit	Fixed Deposit	TOTAL		Savings Deposit	Fixed Deposit	TOTAL
1)	Development Fund	43,658.00	12658.00	-	12,658.00	44,107.00	13,107.00	-	12,658.00
2)	Electricity Fund	66,100.00	66,025.00	-	66,025.00	68,398.00	68,323.00	-	68,323.00
3)	Library Fund	3,27,403.00	30,824.00	93,761.00	1,24,585.00	2,34,705.00	31,887.00	-	31,887.00
4)	Laboratory Deposit Fund	58,887.00	61,191.00	-	61,191.00	61,056.00	63,360.00	-	63,360.00
5)	Session Charges Fund	1,08,752.00	3,777.00	-	3,777.00	87,766.00	3,891.00	-	3,891.00

- 2.2. The proceeds on maturity of a couple of Fixed Deposits pertaining to Library Fund with face values totalling Rs.93,761/- have been credited during the year to the Savings Bank Account of Prof. M. Das' Excursion Fund held with Paschim Banga Gramin Bank, Kanpur Branch (A/c. No. 001536). The requisite Resolution in support of such transfers and the purpose thereof could not be placed for our verification.

Continuation Sheet

- 2.1.3. Albeit, as stated in Note No. 2.1.4. to the Financial Statements, Collections of Fees are being accounted for on Cash-basis, yet the required reconciliation of the same with the outstanding Fees from Students couldn't be placed for our verification.

2.2. Fixed Assets and Depreciation :

- 2.2.1. Albeit, Department-wise Stock and Fixed Assets Registers are being maintained by the concerned Departments of the College, yet, no centrally-maintained Fixed Assets Register with proper and comprehensive records showing full particulars including quantitative details and situation of its Fixed Assets is being maintained by the College.
- 2.2.2. Supportive evidence, if any, as regards carrying out of physical verification of Fixed Assets of the College during the year by its Management at reasonable intervals or otherwise, having regard to the size of the College and the nature of its assets, could not be placed for our verification.
- 2.2.3. All tangible & intangible assets are stated at their respective Written Down Values with no disclosures as regards their Original Cost of acquisitions and accumulated depreciations thereof. Albeit, Clause No. 2 of the "Notes on Accounts and Significant Accounting Policies as on 31.03.2017", as appearing in and forming part of the Audited Balance Sheet for FY 2016-17, speaks of a Fixed Asset in the form of Land on which no depreciation is being charged, yet, no such separate disclosure could be traced in the Financial Statements for that year. Neither any such Head of Account is appearing in the Current Year's Schedule of Fixed Assets (Schedule No. 18).
- 2.2.4. Present valuation of College's Land and Buildings has not been done and we are of the opinion that, necessary scrutiny may be initiated by the Management to identify the valuation of Land and suitably be disclosed in the Financial Statements.
- 2.5.1. As reported in last year, several procurements that are capital in nature, made out of the Grants received from the University Grants Commission (UGC), are not being separately disclosed in the Schedule of Fixed Assets and might have been shown as clubbed with other assets of similar nature. Necessary modifications and the resultant disclosures have not been carried out during the year under audit.
- 2.5.2. We would like to reiterate our previous recommendation that, the original costs of the concerned assets may well be identified and suitably brought back in the books of accounts at their respective Written Down Values as on a suitable cut-off date and a Project Capital Assets Fund or the like may suitably be introduced and maintained for proper disclosure and presentation of the same.
- 2.5.3. Owing to non-capitalisation of assets procured out of the UGC Grant Funds, depreciations are not being charged on the same. Had the necessary capitalisation been carried out and the depreciation been charged thereon, the Surplus for the year and the balance of the General Fund would have been reduced by an identical margin.

2.3. Government Grants :

- 2.3.1. Over the past few years, the individual incumbent-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, are getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Accordingly, the College has the normal practice of not routing the quanta of receipts of Govt.'s Pay & Allowance Grants, which are revenue in nature and the matching disbursements thereof, through the Receipt and Payment Account; but are disclosed through the Income & Expenditure Account and the unutilised balance, if any, of such Grants are duly shown in the Balance Sheet. (Refer Note No. 4.3.1. to the Financial Statements in Schedule No. 28)
- 2.3.2. As detailed in Note Nos. 4.2.1. and 4.2.2. to the Financial Statements (Schedule No. 28), Refund of Rs. 79,139/=-, towards Interest on UGC Grants of Rs. 6,86,340/=- received under Plan Block Capital Grant Head - 35 & Plan Block General Grant Head - 31 during FY 2013-14 has been made during the year. However, details of the transactions including the related opening balances, as depicted in Schedule for UGC Grants - Unutilised (Schedule No. 14), evidently indicates that, the total amount of available Interest was only Rs. 29,330.15. The requisite reconciliation and resultant identification of the source of the balance amount of Rs. 49,808.85, left out of the said Refund has not been made available to us.

3. Other Observations

3.1. Cash In hand :

We have taken up the audit after the close of the Accounting Year; and thus, could not physically verify the Cash in Hand on 31.03.2019. However, we've relied on the physical counting of cash in hand by the Accountant as on that date in the presence of Bursar and Principal and found Rs. 6,754/=- (Rupees Six Thousand Seven Hundred Fifty Four) only. In course of our visit, we have physically verified the Cash Balance of Rs.4,813/=- (Rupees Four Thousand Eight Hundred and Thirteen) only as on 04.12.2021 and found them to be correct.

3.2. Cash at Bank :

All the Bank Balances were verified by us and have noticed that, none of the Bank Accounts deserve any reconciliation with their corresponding Bank Statement / Pass Book balances.

3.3. Fixed Deposits with Banks :

The College doesn't own any Fixed Deposits pertaining to its General Fund. As narrated in Note No. 2.7. to the Financial Statements, the College maintains Fixed Deposits under a few Designated Funds, aggregating to Rs.1,55,832.09 as detailed in Schedule - "19" forming part of the Financial Statements under review.

4. Responsibilities of Management and those charged with governance for the Financial Statements

- 4.1. The College's Management is responsible for the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the College in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards.
- 4.2. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the College and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of Accounting Policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 4.3. In preparing these Financial Statements, the Management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.
- 4.4. The College's Management is also responsible for overseeing the College's financial reporting process.

5. Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. We are also responsible for expressing our opinion on whether the College has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting Policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that, a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Continuation Sheet

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in :

- i) planning the scope of our audit work and in evaluating the results of our work ; and
- ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statement that, we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Emphasis of Matter

We draw attention to the following matters in the Notes to the Financial Statements (Schedule No. 28) :

- 6.1. Note No. 2.5. in the above Schedule states that, Depreciations on Fixed Assets other than Land are being charged under the "Written Down Value" method and the allied Table therein shows the respective rates of Depreciation. A careful scrutiny of those rates would reveal that these are not matching with the stipulated rates of any particular Act, like Income Tax Act, 1961 or Companies Act, 2013, but are actually a mix of both of them.
- 6.2. Note No. 4.3.3. indicates that, payments of Rs. 45,000/= towards Salary for one of the Substitute Teachers have been made out of the College Fund and are depicted as "Recoverable Advance for Salary to Substitute Teachers" without routing it through the year's Income & Expenditure Account.
- 6.3. Our opinion is not modified in respect of matters deliberated under Clauses 6.1. and 6.2. above.

7. Other Reporting Responsibilities

- 7.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements and have found them to be satisfactory ;
- 7.2. In our opinion, proper books of account as required by law relating to the preparation of the aforesaid Financial Statements have been kept by the College so far as it appears from our examination of those books ;
- 7.3. On the basis of our examination of these books of account and according to the best of information and explanations given to us by the Management, the College is not carrying on any activity in the nature of commercial, industrial or business and accordingly, the Accounting Standards are not mandatory and have been followed to the extent practicable and/or relevant. In our opinion, the afore-said Financial Statements comply with the Accounting Standards to the extent applicable and adopted by the College ;
- 7.4. The Financial Statements dealt with by this Report, read in conjunction with the Significant Accounting Policies, are in agreement with the relevant books of account maintained for the purpose of preparation of the Financial Statement ;
- 7.5. No property or funds of the College were applied for any objects / purpose other than its own objects / purpose ;

In conclusion, we convey our cordial thanks to the Principal, Management Board and all Teaching & Non-teaching Staff, particularly the Ex-Teacher-in-Charge and the Accountant of the College for their sincere help and active cooperation for smooth conduct and completion of the Audit especially under the prevailing pandemic situation.

SCHEDULE - "28" : SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019**1. Organisation Status :**

Established in 1966, PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA is one of the oldest rural general Degree Colleges in the district of Howrah, West Bengal, affiliated to the University of Calcutta. Long cherished dream of Late Haridas Nandi for providing higher education to the youths of the locality was materialized under the benevolent leadership of his able son Dr. Jitendra Nath Nandi with the whole hearted participation, help and cooperation of some dedicated souls and fine minds of the locality to offer college education to the youths of the locality for developing the local community and building the nation by transforming human population into enlightened human resources. With the emerging skills, technologies and new horizons of professional avenues, this institution is ever ready expanding the number of courses and programmes to enable its students to cope-up with the challenge of the time.

2. Significant Accounting Policies :

This note provides a list of the Significant Accounting Policies adopted in the preparation of this Financial Statements of PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA (hereinafter referred to as "the College").

2.1. Basis of Preparation of Financial Statements -

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the prescribed Accounting Standards, Guidance Notes and other pronouncements of the Institute of Chartered Accountants of India (ICAI) ;

Accounting Standards issued by ICAI apply in respect of any enterprise (whether organised in corporate, co-operative or other forms) engaged in commercial, industrial or business activities, irrespective of whether it is profit oriented or it is established for charitable or religious purposes. Accounting Standards will not, however, apply to enterprises only carrying on the activities, which are not of commercial, industrial or business nature. In other words, exclusion of an enterprise from the applicability of the Accounting Standards would be permissible only if no part of the activity of such enterprise is commercial, industrial or business in nature ;

The College is not carrying on any activity in the nature of commercial, industrial or business in the sense that, Funds sanctioned and released by the Department of Higher Education, Govt. of West Bengal towards financial assistance to the College in line with other Govt. aided Colleges and Institutions are specifically earmarked for which those are granted, thereby rendering the College to provide only an intermediary service, which is basically non-commercial in nature, and virtually doesn't generate any revenue to the College to that effect. Accordingly, the Accounting Standards have not been considered as mandatory and have been followed to the extent practicable and / or relevant ;

The Financial Statements have been prepared and presented in accordance with the historical cost convention under Cash-basis of accounting except stated otherwise and as a going concern. The accounting policies adopted in the preparation of the Financial Statements are consistently being followed by the College and except for the change, if any, in the Accounting Policies that are stated in the form of a Note to the Financial Statements, are consistent with those applied in the previous year ;

The Financial Statements are presented in Indian Rupees.

2.2. Revenue recognition -

Tuition and other Fees relating to current academic session are recognised on receipt.

Interest income from bank deposits is accrued using the effective interest method and as certified by the concerned bankers at the year-end in the relevant cases.

2.3. Use of Estimates -

The preparation of the Financial Statements in conformity with the Indian GAAP requires the Management to make Judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, including contingent liabilities, if any, on the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. Based on the Management's best knowledge of current events and actions, the Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to uncertainty about these assumptions and estimates and the difference between actual results and estimates are recognized in the period in which the results are known / materialize.

2.4. Fixed Assets -

All Tangible Assets are stated at their respective Written Down Values. However, due to non-availability of relevant records,

the corresponding original costs of acquisitions and accumulated depreciation thereon could not be updated and hence, are not disclosed.

Addition to Tangible Assets are stated at cost of acquisitions, which includes direct expenditures incurred for acquisition or construction and/or installation of the assets and the share of indirect expenses comprised of attributable other costs including financial cost. Direct costs are capitalised until Fixed Assets are ready for use ;

Chandana K. Jana
Principal & Secretary,
Purash-Kanpur Haridas Nandi

Subsequent expenditure related to an item of Fixed Assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repairs and maintenance expenditures and cost of replacing parts, are charged to the Income & Expenditure Account for the period during which such expenses are incurred.

25. Depreciation -

Generally, Depreciation on Fixed Assets other than Land is charged under the "Written Down Value" method at the rates tabulated below :

Sl. No.	Particulars of Assets	Rate of Depreciation (%)
1)	Building	
2)	Computer & Accessories	6
3)	Computer Software	40
4)	Xerox Machine	40
5)	Electrical Installations	40
6)	Water Cooler	20
7)	Audio-visual Equipment	20
8)	Safety Measure Equipment	20
9)	Furniture & Fixtures	20
10)	Library Books	18.1
11)	Generator	20
12)	Tube Well	20
13)	Laboratory Equipment	13.91
14)	Gymnasium & Drinking Water	10

26. Designated Funds -

These represent unrestricted Funds which have been set aside by the Management by suitable and judicious allocation of available of Funds that are either considered to be not immediately required for expenditure or have been received towards some specific purposes.

27. Investments of Designated Funds -

The available investible Funds are invested in Term Deposits with banks, leaving the balances in the corresponding Savings Bank Accounts till further investments are made. Earnings on these investments are accounted for on cash basis and are added to the respective Funds and not treated as income of the College.

Investments are in the nature of Long-term Investments and are carried at their costs.

28. Employee Benefits -

Short Term Employee Benefit is recognized as expense in the Income & Expenditure Account of the year in which related service is rendered.

Post employment and other Long Term Employee Benefits are being treated in the following manner :

Gratuity - In view of the fact that, Gratuities and Pensions are being paid to the eligible retiring employees directly by the Government of West Bengal, provisions towards liabilities for the same are not being made in the accounts.

Leave Encashment on cessation of Service - The quanta of dues towards Leave Encashment, payable to the eligible staff members are being settled through the Department of Higher Education, Govt. of West Bengal on cessation of respective services. Further, expenditure towards Leave Encashment Salary is allowable only on actual payment basis under the Income Tax Act, 1961. Accordingly, the College Authority considers that, acknowledging the liability for terminal salary for Leave Encashment and creating a suitable resultant provision for the same, would be redundant. Thus, no liability towards the same is being provided for in the accounts.

All the employees (both academic and non-academic) of the College have been privileged with the General Provident Fund facilities and hence, no provision towards Provident Fund dues has been made in the current year.

29. Provisions, Contingent Liabilities and Contingent Assets -

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that, there will be an outflow of resources to settle a reliably estimable obligation. Contingent liabilities are not recognised but are disclosed by way of Notes. Contingent assets are neither recognized nor disclosed in the Financial Statements. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

Grants-in-Aid :

Grants of the nature of contributions towards capital expenditures are being credited to the respective Funds / Project. Grants for meeting revenue expenditures are treated as income of the year for which they are realized, except that they will be treated as accrued income where sanctions have been issued either before the last day of the year or for the year and there is reasonable certainty of collection and realization.

Chandran K. Jana
Principal & Secretary

Notes to the Accounts :

During the second phase of Rashtriya Uchchatar Shiksha Abhiyan (RUSA 1), the Scheme on Colleges with Potential for Excellence, administered by UGC has now been subsumed under RUSA 2.0, as Enhancing Quality and Excellence in select Autonomous Colleges.

One of the salient objectives of RUSA envisages identification and filling up critical infrastructure gaps in higher education by augmenting and supporting the efforts of the State Governments. Component 9 thereof, which pertains to infrastructure Grants to Universities and Colleges, addresses this objective, where funds are sanctioned for upgrading the existing infrastructure by way of new construction, renovation or purchase of equipment.

As per above, the College, on the basis of its Institutional Development Plan prepared for all components with financial proposals on parameters that capture its need-based requirements and as duly approved and integrated with the State's Higher Education Plan, has received a Grant of Rs. 1 Crore through the State Government during the year.

Disbursements during the year out of said Grant under RUSA Scheme represent advances given to the Howrah Zilla Parishad in accordance with the Detailed Project Reports prepared for the procurements of permanent and semi-permanent Assets and are disclosed under 'Amounts utilised during the year' in Schedule - "16" to the Financial Statements, detailing unutilised portions of RUSA Grants.

As stated in previous year that, apart from the unspent balance of Rs. 846/- of UGC - XI th Plan for M.R.P in Humanities & Social Science, the Closing Balance of unutilised portion of University Grants Commission (UGC) Grants as on 31.03.2018, amounting to Rs. 4,94,509.15, which basically represents the corresponding Opening Balance as on 01.04.2018 (Refer Schedule - 14), and inter alia, includes Rs.4,78,498/=-, being unspent balance of Grants received towards Salary to Substitution Teachers. The balance Rs.15,165.15 of unutilised UGC Grants represents Interests received from Banks holding the related Savings Deposits.

As shown in the said Schedule, total amount of Interests received from Banks during the year is Rs. 14,165/- only. However, Refund of Rs. 79,139/=-, being Interest on UGC Grants of Rs. 6,86,340/- received under Plan Block Capital Grant Head - 35 and Plan Block General Grant Head - 31, calculated @ 4% from 28.03.2014 (Date of receipt of the said Grant) to 31.03.2017 (Date of Utilisation) i.e., 3 years (approx) after adjustment of College Contributions amounting to Rs.3,222/=-, has been made during the year.

It has subsequently been detected that, the said erroneously South Western Regional Office of UGC instead of its Eastern Regional Office at Kolkata. Necessary remedial measure has duly been initiated (vide Letter No. PKHNM / UGC-SWRO / Misc. / 2019 / 13 dated 23.05.2019) by the College to rectify this unintentional slip caused due to inadvertence.

The individual employee-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, used to be received by the College and getting credited to its own Bank Accounts, are now getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Thus, owing to the virtual absence of any scopes, either for receipts of the Govt.'s Pay & Allowance or carrying out necessary deductions towards the above-stated heads or making disbursements thereof, the College has developed the normal practice of not depicting the related transactions through the Receipt and Payment Account, but is disclosing the same through the Income & Expenditure Account. Needless to mention that, the practice does not leave any unspent balance of these Grants.

Necessary adjustments in the incumbent-wise Accumulated Balances of Provident Fund in respect of Retired Employees have been made to match their respective closing balances with the corresponding balances as certified by the concerned Treasury Office. It may be emphasized that, these adjustments, as have duly been disclosed through a separate Column in "Annexure - 1" to Schedule Nos. "9" & "20", have not been instrumental in altering the total amount of allocable interests on the Provident Fund Deposits of the employees for the year.

Payments of Rs. 45,000/- towards Salary for one of the Substitute Teachers have been made out of the College Fund and are depicted as "Recoverable Advance for Salary to Substitute Teachers" without routing it through the year's Income & Expenditure Account.

Registration Fees collected from the students are clubbed with the quanta of College Fees and shown under the Head "Collection of Fees from Students" in the Receipt and Payment Account as well as in the Income & Expenditure Account.

Schedules "1" to "28" and Annexure "1" form an integral part of the Financial Statements.

INDEPENDENT AUDITOR'S REPORT

To
The Director of Public Instructions, Education Directorate,
College Audit Cell, Bikash Bhavan,
Salt Lake, Kolkata- 700 091

1. Qualified Opinion

- 1.1. We have audited, in terms of the appointment conferred on us (vide Memo No. CA / 39 (379) / 2020 dt. September 2, 2020), the accompanying Financial Statements of the **PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA**, (hereinafter referred to as "the College") P.O. : Kanpur, Dist. : Howrah, West Bengal - 711 410, which comprise of the Balance Sheet as at March 31, 2020, the Income & Expenditure Account and the Receipts & Payment Account for the year then ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information, annexed thereto.
- 1.2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph, the aforesaid Financial Statements give the information in the manner so required in the aforesaid Appointment Letter issued by your good office and are prepared, in all material respects, in accordance with the terms of the said Appointment Letter (vide Memo No. CA / 39 (379) / 2020 dt. September 2, 2020) and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the College as at 31st March, 2020 and its financial performance for the year ended on that date.

2. Basis for Qualified Opinion

2.1. Fees Collections :

- 2.1.1. Collections of Fees from the Students are comprised of Fees for several purposes and are getting deposited to the Bank Accounts pertaining to the General Fund without resorting to matching transfers to the corresponding earmarked Funds for which the same are being collected.

As stated under Note No. 4.4. in Schedule - "31", the Registration Fees collected from Students are clubbed with the total amount of Fees collected from the Students during the year and shown under the Head "Collection of Fees from Students" in the Receipt and Payment A/c. as well as in the Income & Expenditure Account.

- 2.1.2.1. Owing to such non-transfers to the earmarked Funds, the related expenditures pertaining to those earmarked Funds are being incurred from the General Fund without the requisite Inter-Fund adjustments. We understand that, there might have been instances of such non-adjustments and / or non-reconciliation of Inter-Fund transactions in earlier years too. Consequently, several such Funds are reflecting Opening as well as Closing balances, which are not getting represented in parallel with the corresponding balances lying in the respective Savings Bank and / or Fixed Deposits. The details are tabulated below :

Sl. No.	Name of the Fund	Fund's Opening Balance as on 01.04.2019	Corresponding Savings Bank & Fixed Deposit Balances as on 01.04.2019			Fund's Closing Balance as on 31.03.2020	Corresponding Savings Bank & Fixed Deposit Balances as on 31.03.2020		
			Savings Deposit	Fixed Deposit	TOTAL		Savings Deposit	Fixed Deposit	TOTAL
1)	Development Fund	44,107.00	13,107.00	-	13,107.00	44,570.00	13,570.00	-	13,570.00
2)	Electricity Fund	68,398.00	68,323.00	-	68,323.00	70,802.00	70,727.00	-	70,727.00
3)	Library Fund	2,34,705.00	31,887.00	-	31,887.00	2,35,827.00	33,009.00	-	33,009.00
4)	Laboratory Deposit Fund	61,056.00	63,360.00	-	63,360.00	63,294.00	65,598.00	-	65,598.00
5)	Session Charges Fund	87,766.00	3,891.00	-	3,891.00	29,903.00	4,028.00	-	4,028.00

- 2.1.2.2. Albeit, Note No.2.2. in Schedule - 31 indicates that the Accrued Interest income from bank deposits are considered by using the effective interest method and as certified by the concerned bankers at the year-end, yet, no such information/certification as regards Interest accrued as on 31.03.2020 on the relevant Term Deposits including the

Cont'd....2

Deposit of Rs.71,642/= of the Reserve Fund in Kuber Yojana Deposit Scheme (No.00020300096241), held with UCO Bank, India Exchange Place Branch could be placed for our verification. Accordingly, the corresponding income towards Interests accrued on these Deposits has not been considered in the Financial Statements under review. Had the same been considered, the Surplus for the year would have been increased by an identical margin.

- 2.1.3. Albeit, as narrated in Note Nos. 2.1.4. and 2.2.1. to the Financial Statements, Collections of Fees are being accounted for on Cash-basis, yet the required reconciliation of the same with the outstanding Fees from Students couldn't be placed for our verification.

2.2. Fixed Assets and Depreciation :

- 2.2.1. Albeit, Department-wise Stock and Fixed Assets Registers are being maintained by the concerned Departments of the College, yet, no centrally-maintained Fixed Assets Register with proper and comprehensive records showing full particulars including quantitative details and situation of its Fixed Assets is being maintained by the College.

- 2.2.2. Supportive evidence, if any, as regards carrying out of physical verification of Fixed Assets of the College during the year by its Management at reasonable intervals or otherwise, having regard to the size of the College and the nature of its assets, could not be placed for our verification.

- 2.2.3. All tangible & intangible assets are stated at their respective Written Down Values with no disclosures as regards their Original Cost of acquisitions and accumulated depreciations thereof. Albeit, Clause No. 2 of the "Notes on Accounts and Significant Accounting Policies as on 31.03.2017", as appearing in and forming part of the Audited Balance Sheet for FY 2016-17, speaks of a Fixed Asset in the form of Land on which no depreciation is being charged, yet, no such separate disclosure could be traced in the Financial Statements for that year. Neither any such Head of Account is appearing in the Current Year's Schedule of Fixed Assets (Schedule - 18).

- 2.2.4. Present valuation of College's Land and Buildings has not been done and we are of the opinion that, necessary scrutiny may be initiated by the Management to identify the valuation of Land and suitably be disclosed in the Financial Statements.

- 2.2.5.1. As reported in last couple of years, several procurements that are capital in nature, made out of the Grants received from the University Grants Commission (UGC), are not being separately disclosed in the Schedule of Fixed Assets and might have been shown as clubbed with other assets of similar nature. Necessary modifications and the resultant disclosures have not been carried out during the year under audit.

- 2.2.5.2. We would like to reiterate our previous recommendation that, the original costs of the concerned assets may well be identified and suitably brought back in the books of accounts at their respective Written Down Values as on a suitable cut-off date and a Project Capital Assets Fund or the like may suitably be introduced and maintained for proper disclosure and presentation of the same.

- 2.2.5.3. Owing to non-capitalisation of several expenditures of capital in nature incurred out of the UGC Grant Funds that are detailed under "UGC Grant Fund" in Schedule - 13 of the Financial Statements for Financial Year 2016-17, depreciations are not being charged on the same. Had the necessary capitalisation been carried out and the depreciation been charged thereon, the Surplus for the year and the balance of the General Fund would have been reduced by an identical margin.

2.3. Government Grants :

- 2.3.1. Over the past several years, the individual incumbent-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, are getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Accordingly, the College has the normal practice of not routing the quanta of receipts of Govt.'s Pay & Allowance Grants, which are revenue in nature and the matching disbursements thereof, through the Receipt and Payment Account; but are disclosed through the Income & Expenditure Account and the unutilised balance, if any, of such Grants are duly shown in the Balance Sheet. (Refer Note No. 4.3.1. to the Financial Statements in Schedule - 31)

- 2.3.2.1. As deliberated in Note Nos. 4.2.1. & 4.2.2. to the last year's Financial Statements (Schedule - 28), Rs.79,139/= was refunded to the University Grants Commission (UGC) in that year towards Interest on UGC Grants of Rs.6,86,340/= received under Plan Block Capital Grant Head - 35 & Plan Block General Grant Head - 31 during FY 2013-14. Subsequently, it has been detected that, owing to inadvertence, the said refund has erroneously been made to the UGC's South Western Regional Office instead of its Eastern Regional Office at Kolkata and the same

Cont'd....3

has been refunded to the College by the former Office during the year. In turn, the said sum has duly been refunded to the aforesaid latter Office during the year.

- 2.3.2.2. However, the details including the Balance Interest of Rs. 15,165.15 forming part of the Opening Balance of "UGC Grants - Unutilised" as on 01.04.2018, as depicted in Schedule - 14 of last year, together with the Interests of Rs.14,165/= received from Banks in that year, clearly indicate that, the total amount of available Interest was only Rs. 29,330.15. However, the requisite reconciliation and resultant identification, if any, of the source of the balance amount of Rs. 49,808.85, left out of the said Refund of Rs.79,139/=-, either at the point of making the aforesaid erroneous refund or at the point of sending the correct one during the year under audit, has not been made available to us.

2.4. Employees Benefit Expenses :

- 2.4.1. The reasons behind non-provisioning of liabilities towards Gratuity and Leave Encashment on cessation of Service payable to the employees of , albeit have been elaborated in Note Nos. 2.8.2.1. and 2.8.2.2. of Schedule - '31', yet the same are not in line with the relevant stipulations as specified under applicable Accounting Standard 15 by the Institute of Chartered Accountants of India.

3. Other Observations

3.1. Cash in hand :

We have taken up the audit after the close of the Accounting Year; and thus, could not physically verify the Cash in Hand on 31.03.2020. However, we've relied on the physical counting of cash in hand by the Accountant as on that date in the presence of Bursar and Principal and found Rs. 4,870/= (Rupees Four Thousand Eight Hundred Seventy) only. In course of our visit, we have physically verified the Cash Balance of Rs. 3,147/= (Rupees Three Thousand One Hundred and Forty Seven) only as on 03.06.2022 and found them to be correct.

3.2. Cash at Bank :

All the Bank Balances were verified by us and have noticed that, none of the Bank Accounts deserve any reconciliation with their corresponding Bank Statement / Pass Book balances.

3.3. Fixed Deposits with Banks :

In terms of the narratives presented against Note No. 2.7. to the Financial Statements in Schedule - 31, the College has, during the year, invested Rs. 21 Lacs in Term Deposits from its accumulated investible surplus lying in its General Fund (A/c. No. 067202100000670 held with United Commercial Bank, Par Radhanagar Branch). The College also maintains Term Deposits aggregating to Rs.1,57,641.09 under a few earmarked Funds from the respective available investible Funds of those Funds, as detailed in Schedule - "19" forming part of the Financial Statements under review.

4. Responsibilities of Management and those charged with governance for the Financial Statements

- 4.1. The College's Management is responsible for the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the College in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards.
- 4.2. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the College and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of Accounting Policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 4.3. In preparing these Financial Statements, the Management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.
- 4.4. The College's Management is also responsible for overseeing the College's financial reporting process.

Cont'd....4

5. Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate, especially in the prevailing pandemic circumstances. We are also responsible for expressing our opinion on whether the College has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of Accounting Policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that, a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in :

- i) planning the scope of our audit work and in evaluating the results of our work ; and
- ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statement that, we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

6. Emphasis of Matter

We draw attention to the following matters in the Notes to the Financial Statements (Schedule No. 31) :

- 6.1. Note No. 2.5. in the above Schedule states that, Depreciations on Fixed Assets other than Land are being charged under the "Written Down Value" method and the allied Table therein shows the respective rates of Depreciation. A careful scrutiny of those rates would reveal that these are not matching with the stipulated rates of any particular Act, like Income Tax Act, 1961 or Companies Act, 2013, but are actually a mix of both of them.

Cont'd....5

- 6.2.1. Note No. 4.3.2.1. indicates that, payments of Rs. 45,000/- towards Salary for one of the Substitute Teachers have been made out of the College Fund and are depicted as "Recoverable Advance for Salary to Substitute Teachers" without routing it through the year's Income & Expenditure Account.
- 6.2.2. Similarly, as stated in Note No. 4.3.2.2., pending receipts of the corresponding Grants, payments of Rs. 53,100/- made towards Salaries for State-aided College Teachers (SACTs) out of the College Fund has been considered as Salary Advances to SACTs without routing the same through the Income & Expenditure Account.
- 6.3. Our opinion is not modified in respect of matters deliberated under the preceding sub-Clauses of Clause 6, above.

7. Other Reporting Responsibilities

- 7.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements and have found them to be satisfactory ;
- 7.2. In our opinion, except for the effect of the matters stated in the Basis for Qualified Opinion paragraph above, proper books of account as required by law relating to the preparation of the aforesaid Financial Statements have been kept by the College so far as it appears from our examination of those books ;
- 7.3. On the basis of our examination of these books of account and according to the best of information and explanations given to us by the Management, the College is not carrying on any activity in the nature of commercial, industrial or business and accordingly, the Accounting Standards are not mandatory and have been followed to the extent practicable and/or relevant. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards to the extent applicable and adopted by the College ;
- 7.4. The Financial Statements dealt with by this Report, read in conjunction with the Significant Accounting Policies, are in agreement with the relevant books of account maintained for the purpose of preparation of the Financial Statements ;
- 7.5. No property or funds of the College were applied for any objects / purpose other than its own objects / purpose ;

In conclusion, we convey our cordial thanks to the Principal, Management Board and all Teaching & Non-teaching Staff, particularly the Accountant of the College for their sincere help and active cooperation for smooth conduct and completion of the Audit especially under the prevailing pandemic situation.

PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA

**SCHEDULE - "31" : SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ON
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020**

1. Organisation Status :

Established in 1966, PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA is one of the oldest rural general Degree Colleges in the district of Howrah, West Bengal, affiliated to the University of Calcutta. Long cherished dream of Late Haridas Nandi son Dr. Jitendra Nath Nandi with the whole hearted participation, help and cooperation of some dedicated souls and fine minds of the locality to offer college education to the youths of the locality for developing the local community and building the nation by transforming human population into enlightened human resources. With the emerging skills, technologies and new horizons of professional avenues, this institution is ever ready expanding the number of courses and programmes to enable its students to cope-up with the challenge of the time.

2. Significant Accounting Policies :

This note provides a list of the Significant Accounting Policies adopted in the preparation of this Financial Statements of PURASH-KANPUR HARIDAS NANDI MAHAVIDYALAYA (hereinafter referred to as "the College").

2.1. Basis of Preparation of Financial Statements -

1. The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the prescribed Accounting Standards, Guidance Notes and other pronouncements of the Institute of Chartered Accountants of India (ICAI) ;

2. Accounting Standards issued by ICAI apply in respect of any enterprise (whether organised in corporate, co-operative or other forms) engaged in commercial, industrial or business activities, irrespective of whether it is profit oriented or it is established for charitable or religious purposes. Accounting Standards will not, however, apply to enterprises only carrying on the activities, which are not of commercial, industrial or business nature. In other words, exclusion of an enterprise from the applicability of the Accounting Standards would be permissible only if no part of the activity of such enterprise is commercial, industrial or business in nature ;

3. The College is not carrying on any activity in the nature of commercial, industrial or business in the sense that, Funds sanctioned and released by the Department of Higher Education, Govt. of West Bengal towards financial assistance to the College in line with other Govt. aided Colleges and Institutions are specifically earmarked for which those are granted, thereby rendering the College to provide only an intermediary service, which is basically non-commercial in nature, and virtually doesn't generate any revenue to the College to that effect. Accordingly, the Accounting Standards have not been considered as mandatory and have been followed to the extent practicable and / or relevant ;

4. The Financial Statements have been prepared and presented in accordance with the historical cost convention under Cash-basis of accounting except stated otherwise and as a going concern. The accounting policies adopted in the preparation of the Financial Statements are consistently being followed by the College and except for the change, if any, in the Accounting Policies that are stated in the form of a Note to the Financial Statements, are consistent with those applied in the previous year ;

5. The Financial Statements are presented in Indian Rupees.

2.2. Revenue recognition -

1. Tuition and other Fees relating to current academic session are recognised on receipt.

2. Interest Income from bank deposits is accrued using the effective interest method and as certified by the concerned bankers at the year-end in the relevant cases.

2.3. Use of Estimates -

The preparation of the Financial Statements in conformity with the Indian GAAP requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, including contingent liabilities, if any, on the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. Based on the Management's best knowledge of current events and actions, the Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to uncertainty about these assumptions and estimates and the difference between actual results and estimates are recognized in the period in which the results are known / materialize.

2.4. Fixed Assets -

1. All Tangible Assets are stated at their respective Written Down Values. However, due to non-availability of relevant records, the corresponding original costs of acquisitions and accumulated depreciation thereon could not be updated and hence, are not disclosed.

2. Addition to Tangible Assets are stated at cost of acquisitions, which includes direct expenditures incurred for acquisition or construction and/or installation of the assets and the share of indirect expenses comprised of attributable other costs including financial cost. Direct costs are capitalised until Fixed Assets are ready for use ;

Chandran K. Jana
Principal & Secretary
Purash-Kanpur Haridas Nandi
Mahendrapur, Howrah

Subsequent expenditure related to an item of Fixed Assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repairs and maintenance expenditures and cost of replacing parts, are charged to the Income & Expenditure Account for the period during which such expenses are incurred.

5. Depreciation -

Generally, Depreciation on Fixed Assets other than Land is charged under the "Written Down Value" method at the rates tabulated below :

Sl. No.	Particulars of Assets	Rate of Depreciation (%)
1)	Building	6
2)	Computer & Accessories	40
3)	Computer Software	40
4)	Xerox Machine	40
5)	Electrical Installations	20
6)	Water Cooler	20
7)	Audio-visual Equipment	20
8)	Safety Measure Equipment	20
9)	Furniture & Fixtures	18.1
10)	Library Books	20
11)	Generator	20
12)	Tube Well	20
13)	Laboratory Equipment	13.91
14)	Gymnasium & Drinking Water	10

6. Designated Funds -

These represent unrestricted Funds which have been set aside by the Management by suitable and judicious allocation of available of Funds that are either considered to be not immediately required for expenditure or have been received towards some specific purposes.

7. Investments of Designated Funds -

The available investible Funds are invested in Term Deposits with banks, leaving the balances in the corresponding Savings Bank Accounts till further investments are made. Earnings on these investments are accounted for on cash basis and are added to the respective Funds and not treated as income of the College.

Investments are in the nature of Long-term Investments and are carried at their costs.

8. Employee Benefits -

1. Short Term Employee Benefit is recognized as expense in the Income & Expenditure Account of the year in which related service is rendered.

2. Post employment and other Long Term Employee Benefits are being treated in the following manner :

1. Gratuity - In view of the fact that, Gratuities and Pensions are being paid to the eligible retiring employees directly by the Government of West Bengal, provisions towards liabilities for the same are not being made in the accounts.

2. Leave Encashment on cessation of Service - The quanta of dues towards Leave Encashment, payable to the eligible staff members are being settled through the Department of Higher Education, Govt. of West Bengal on cessation of respective services. Further, expenditure towards Leave Encashment Salary is allowable only on actual payment basis under the Income Tax Act, 1961. Accordingly, the College Authority considers that, acknowledging the liability for terminal salary for Leave Encashment and creating a suitable resultant provision for the same, would be redundant. Thus, no liability towards the same is being provided for in the accounts.

3. All the employees (both academic and non-academic) of the College have been privileged with the General Provident Fund facilities and hence, no provision towards Provident Fund dues has been made in the current year.

9. Provisions, Contingent Liabilities and Contingent Assets -

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that, there will be an outflow of resources to settle a reliably estimable obligation. Contingent liabilities are not recognised but are disclosed by way of Notes. Contingent assets are neither recognized nor disclosed in the Financial Statements. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

10. Grants-in-Aid :

1. Grants of the nature of contributions towards capital expenditures are being credited to the Capital Reserve or respective Funds / Project, as the cases may be.

2. Grants for meeting revenue expenditures are treated as income of the year for which they are realized, except that they will be treated as accrued income where sanctions have been issued either before the last day of the year or for the year and there is reasonable certainty of collection and realization.

Chandan K. Jena
Principal & Secretary

Kanpur Haridra Nandi

Notes to the Accounts :

During the second phase of Rashtriya Uchchatar Shiksha Abhiyan (RUSA), the Scheme on Colleges with Potential for Excellence, administered by UGC has now been subsumed under RUSA 2.0, as Enhancing Quality and Excellence in select Autonomous Colleges.

One of the salient objectives of RUSA envisages identification and filling up critical infrastructure gaps in higher education by augmenting and supporting the efforts of the State Governments. Component 9 thereof, which pertains to Infrastructure Grants to Universities and Colleges, addresses this objective, where funds are sanctioned for upgrading the existing infrastructure by way of new construction, renovation or purchase of equipment.

Apropos to above, the College, on the basis of its Institutional Development Plan prepared for all components with financial proposals on parameters that capture its need-based requirements and as duly approved and integrated with the State's Higher Education Plan, has received a Grant of Rs. 1 Crore through the State Government in the last Financial Year.

The details of the related disbursements out of said Grant under RUSA Scheme are disclosed under suitable captions in Schedule - "28" to the Financial Statements. Simultaneously, the particulars of additions in various forms of Fixed Assets, procured out of said Grant have been tabulated in the relevant Column of Schedule - "18" to the Financial Statements against the concerned items of Fixed Assets.

The requisite Utilization Certificate in respect of the Advances given in last year to the Howrah Zilla Parishad in accordance with the Detailed Project Reports prepared for the procurements of permanent and semi-permanent Assets has not been received till the end of the current reporting period, but is obtained in the ensuing Financial Year.

Simultaneously, unutilised portions of the said RUSA Grants have been detailed and placed in the form of Schedule - "16" to the Financial Statements.

As stated in earlier years, Rs. 846/=, being a portion of the unspent balance of University Grants Commission (UGC) Grants represents Grants under UGC - XI th Plan for M.R.P in Humanities & Social Science. The rest of the Closing Balance of the unutilised portion of said Grants as on 31.03.2019, amounting to Rs. 28,541.15 that basically represents the corresponding Opening Balance as on 01.04.2019 (Refer Schedule - 14), stands for the balance of Grants received towards Salary to Substitution Teachers. The balance Rs. 4,442/= of the Closing Balance of the unutilised UGC Grants as on 31.03.2020 represents Interests received during the year from Banks holding the related Savings Deposits.

As stated in the preceding paragraph, the total amount of Interests received from Banks during the year is Rs.4,442/= only. However, subsequent detection of erroneous Refund of Rs. 79,139/= made in last year to South Western Regional Office of UGC instead of its Eastern Regional Office at Kolkata towards Interest on UGC Grants of Rs.6,86,340/= received under Plan Block Capital Grant Head - 35 and Plan Block General Grant Head - 31, calculated @ 4% from 28.03.2014 (Date of receipt of the said Grant) to 31.03.2017 (Date of Utilisation) i.e., 3 years (approx.) after adjustment of College Contributions amounting to Rs. 3,222/=, has been refunded by said South Western Regional Office of UGC during the year. Accordingly, the said sum has also been duly refunded to the concerned authority during the year and depicted in the said Schedule.

As per the extant norms, the individual employee-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, are getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Thus, owing to the virtual absence of any scopes, either for receipts of the Govt.'s Pay & Allowance Grants or carrying out necessary deductions towards the above-stated heads or making disbursements thereof, the College has developed the normal practice of not depicting the related transactions through the Receipt and Payment Account, but is disclosing the same through the Income & Expenditure Account. Needless to mention that, the practice does not leave any unspent balance of these Grants.

As narrated in last year, the payments of Rs. 45,000/= towards Salary for one of the Substitute Teachers were made out of the College Fund in last year. An identical sum has been disbursed in favour of the same payee during the current reporting period and the cumulative figure is depicted as "Recoverable Advance for Salary to Substitute Teachers" without routing it through the year's Income & Expenditure Account.

Likewise, pending receipts of the corresponding Grants, the amount totaling Rs. 53,100/= paid towards Salaries for State-aided College Teachers (SACTs) out of the College Fund has been considered as Salary Advances to SACTs. Accordingly, instead of routing through the aforesaid Account, the same has been shown per se in the Balance Sheet.

Registration Fees collected from the students are clubbed with the quanta of College Fees and shown under the Head "Collection of Fees from Students" in the Receipt and Payment Account as well as in the Income & Expenditure Account.

Schedules "1" to "31" and Annexure "1" to Schedule Nos. "9" and "20" form an integral part of the Financial Statements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of the Governing Body,
Purash Kanpur Haridas Nandi Mahavidyalaya

1. Qualified Opinion

- 1.1. We have audited, in terms of the appointment conferred on us (vide Letter No. PKHNM / SKP / Audit / 2023 / 65A dt. April 19, 2023), the accompanying Financial Statements of the **PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA**, (hereinafter referred to as "the College") P.O. : Kanpur, Dist. : Howrah, West Bengal - 711 410, which comprise of the Balance Sheet as at March 31, 2021, the Income & Expenditure Account and the Receipts & Payment Account for the year then ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information, annexed thereto.
- 1.2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph below, the aforesaid Financial Statements give the information in the manner so required in the aforesaid Appointment Letter issued by your good office and are prepared, in all material respects, in accordance with the terms of the said Appointment Letter (vide Letter No. PKHNM / SKP / Audit / 2023 / 65A dt. April 19, 2023) and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the College as at 31st March, 2021 and its financial performance for the year ended on that date.

2. Basis for Qualified Opinion

2.1. Fees Collections :

- 2.1.1. Collections of Fees from the Students are comprised of Fees for several purposes and are getting deposited to the Bank Accounts pertaining to the General Fund without resorting to matching transfers to the corresponding earmarked Funds for which the same are being collected.

As stated under Note No. 4.5. in Schedule - "31" to the Financial Statements, the Registration Fees collected from Students are clubbed with the total amount of Fees collected from the Students during the year and shown under the Head "Collection of Fees from Students" in the Receipt and Payment A/c. as well as in the Income & Expenditure Account.

- 2.1.2. Owing to such non-transfers to the earmarked Funds, the related expenditures pertaining to those earmarked Funds are being incurred from the General Fund without the requisite Inter-Fund adjustments. We understand that, there might have been instances of such non-adjustments and/or non-reconciliation of Inter-Fund transactions in earlier years too. Consequently, several such Funds are reflecting Opening as well as Closing balances, which are not getting represented in parallel with the corresponding balances lying in the respective Savings Bank and / or Fixed Deposits. The details are tabulated below :

Sl. No.	Name of the Fund	Fund's Opening Balance as on 01.04.2020	Corresponding Savings Bank & Fixed Deposit Balances as on 01.04.2020			Fund's Closing Balance as on 31.03.2021	Corresponding Savings Bank & Fixed Deposit Balances as on 31.03.2021		
			Savings Deposit	Fixed Deposit	TOTAL		Savings Deposit	Fixed Deposit	TOTAL
1)	Development Fund	44,570.00	13,570.00	-	13,570.00	44,943.00	13,943.00	-	13,943.00
2)	Electricity Fund	70,802.00	70,727.00	-	70,727.00	72,816.00	72,741.00	-	72,741.00
3)	Library Fund	2,35,827.00	33,009.00	-	33,009.00	2,36,767.00	33,949.00	-	33,949.00
4)	Laboratory Deposit Fund	63,294.00	65,598.00	-	65,598.00	65,094.00	67,398.00	-	67,398.00
5)	Session Charges Fund	29,903.00	4,028.00	-	4,028.00	30,018.00	4,143.00	-	4,143.00

- 2.2.2. Albeit, Note No. 2.2.2. in said Schedule - "31" indicates that the Accrued Interest income from bank deposits are considered by using the effective interest method and as certified by the concerned bankers at the year-end, yet, no such information/certification regarding Interest accrued as on 31.03.2021 on the relevant Term Deposits including the Deposit of Rs.71,642/- of the Reserve Fund in Kuber Yojana Deposit Scheme (No. 00020300096241), held with UCO Bank, India Exchange Place Branch could be placed for our verification.

Our opinion is not modified in respect of matters deliberated under the preceding sub-Clauses of Clause 6, above.

Other Matters

1. Pursuant to the incessant spreading of Covid-19 virus across India, the Government of India announced a 21-day Lockdown on March 24, 2020, which got further extended till June 30, 2020 across the country. Depending upon the intensity of the severity and lethality of the disease, the strictures kept on continuing with varied degree and extent throughout the country. These preventive and restrictive measures got further supplemented by separate guidelines issued by the Government of West Bengal for the State resulting in a series of days when there had been complete Lockdown in the State on staggered basis. The Lockdown in the State kept on extending till late September, 2020, especially in numerous containment zones in the worst-affected areas of Kolkata as well as in the districts. This has resulted in restrictions on the physical movements of the designated personnel of the College in executing the routine administrative and accounting functions as well as our visits to its location to some extent.
2. The Management has considered the consequences of COVID-19 and other events and conditions, and it has determined that they do not create a material uncertainty that casts significant doubt upon the College's ability to continue as a going concern.
3. As the impacts of the Covid-19 outbreak continue to evolve, including regulatory restrictions/conditions, capturing events that relate specifically to conditions that existed at the date of the Financial Statements or after the date of the Financial Statements, we have considered all subsequent events and transactions to substantiate our conclusions on the appropriateness of Management's assessment of the Covid-19 impact.
4. Our audit opinion is not modified in respect of the above.

8. Other Reporting Responsibilities

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Financial Statements and have found them to be satisfactory ;
 2. In our opinion, except for the effect of the matters stated in the Basis for Qualified Opinion paragraph above, proper books of account as required by law relating to the preparation of the aforesaid Financial Statements have been kept by the College so far as it appears from our examination of those books ;
 3. On the basis of our examination of these books of account and according to the best of information and explanations given to us by the Management, the College is not carrying on any activity in the nature of commercial, industrial or business and accordingly, the Accounting Standards are not mandatory and have been followed to the extent practicable and/or relevant. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards to the extent applicable and adopted by the College ;
 4. The Financial Statements dealt with by this Report, read in conjunction with the Significant Accounting Policies, are in agreement with the relevant books of account maintained for the purpose of preparation of the Financial Statements ;
 5. No property or funds of the College were applied for any objects / purpose other than its own objects / purpose ;
- In conclusion, we convey our cordial thanks to the Principal, Management Board and all Teaching & Non-teaching Staff, particularly the Accountant of the College for their sincere help and active cooperation for smooth conduct and completion of the Audit especially under the prevailing pandemic situation.

**SCHEDULE - "31" : SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ON
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2021**

Organisation Status :

Established in 1966, PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA is one of the oldest rural general Degree Colleges in the district of Howrah, West Bengal, affiliated to the University of Calcutta. Long cherished dream of Late Haridas Nandi for providing higher education to the youths of the locality was materialized under the benevolent leadership of his able son Dr. Jitendra Nath Nandi with the whole hearted participation, help and cooperation of some dedicated souls and fine minds of the locality to offer college education to the youths of the locality for developing the local community and building the nation by transforming human population into enlightened human resources. With the emerging skills, technologies and new horizons of professional avenues, this institution is ever ready expanding the number of courses and programmes to enable its students to cope-up with the challenge of the time.

Significant Accounting Policies :

This note provides a list of the Significant Accounting Policies adopted in the preparation of this Financial Statements of PURASH KANPUR HARIDAS NANDI MAHAVIDYALAYA (hereinafter referred to as "the College").

Basis of Preparation of Financial Statements -

The Financial Statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) including the prescribed Accounting Standards, Guidance Notes and other pronouncements of the Institute of Chartered Accountants of India (ICAI) ;

Accounting Standards issued by ICAI apply in respect of any enterprise (whether organised in corporate, co-operative or other forms) engaged in commercial, industrial or business activities, irrespective of whether it is profit oriented or it is established for charitable or religious purposes. Accounting Standards will not, however, apply to enterprises only carrying on the activities, which are not of commercial, industrial or business nature. In other words, exclusion of an enterprise from the applicability of the Accounting Standards would be permissible only if no part of the activity of such enterprise is commercial, industrial or business in nature ;

The College is not carrying on any activity in the nature of commercial, industrial or business in the sense that, Funds sanctioned and released by the Department of Higher Education, Govt. of West Bengal towards financial assistance to the College in line with other Govt. aided Colleges and Institutions are specifically earmarked for which those are granted, thereby rendering the College to provide only an intermediary service, which is basically non-commercial in nature, and virtually doesn't generate any revenue to the College to that effect. Accordingly, the Accounting Standards have not been considered as mandatory and have been followed to the extent practicable and / or relevant ;

The Financial Statements have been prepared and presented in accordance with the historical cost convention under Cash-basis of accounting except stated otherwise and as a going concern. The accounting policies adopted in the preparation of the Financial Statements are consistently being followed by the College and except for the change, if any, in the Accounting Policies that are stated in the form of a Note to the Financial Statements, are consistent with those applied in the previous year ;

The Financial Statements are presented in Indian Rupees.

Revenue recognition -

Tuition and other Fees relating to current academic session are recognised on receipt.

Interest income from bank deposits is accrued using the effective interest method and as certified by the concerned bankers at the year-end in the relevant cases.

Use of Estimates -

The preparation of the Financial Statements in conformity with the Indian GAAP requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities, including contingent liabilities, if any, on the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. Based on the Management's best knowledge of current events and actions, the Management believes that the estimates used in preparation of the Financial Statements are prudent and reasonable. Future results could differ due to uncertainty about these assumptions and estimates and the difference between actual results and estimates are recognized in the period in which the results are known / materialize.

COVID - 19

In March, 2020, the World Health Organisation has declared Covid-19 to be a pandemic. The actual impact of this pandemic may possibly be different than what have been envisaged as it has turned out to be a global phenomenon including India. The College's Management, on the basis of an initial assessment made on its impact, believes that the impact of this outbreak on the activities and financial position of the College will not be significant. The Management has decided that the College will continue to closely monitor any material change that might affect the future economic conditions and does not see any risks in the College's ability to continue as a going concern and meeting its liabilities as and when they fall due.

Fixed Assets -

All Tangible Assets are stated at their respective Written Down Values. However, due to non-availability of relevant records, the corresponding original costs of acquisitions and accumulated depreciation thereon could not be updated and hence, are not disclosed.

Cont'd...2

- 2.5.2. Addition to Tangible Assets are stated at cost of acquisitions, which includes direct expenditures incurred for acquisition or construction and/or installation of the assets and the share of indirect expenses comprised of attributable other costs including financial cost. Direct costs are capitalised until Fixed Assets are ready for use ;
- 2.5.3. Subsequent expenditure related to an item of Fixed Assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repairs and maintenance expenditures and cost of replacing parts, are charged to the Income & Expenditure Account for the period during which such expenses are incurred.

2.6. **Depreciation -**

Generally, Depreciation on Fixed Assets other than Land is charged under the "Written Down Value" method at the rates tabulated below :

Sl. No.	Particulars of Assets	Rate of Depreciation (%)
1.)	Building	5
2.)	Boundary Wall	10
3.)	Computer & Accessories	40
4.)	Computer Software	40
5.)	Xerox Machine	40
6.)	Electrical Installations & Fittings	20
7.)	Water Cooler	20
8.)	Audio-visual Equipment	20
9.)	Safety Measure Equipment (Water Filter-cum-Purifier)	20
10.)	Furniture & Fixtures	18.1
11.)	Library Books	20
12.)	Equipment for Library	15
13.)	Generator	20
14.)	Tube Well	20
15.)	Laboratory Equipment	13.91
16.)	Gymnasium & Drinking Water	10

2.7. **Designated Funds -**

These represent unrestricted Funds which have been set aside by the Management by suitable and judicious allocation of available of Funds that are either considered to be not immediately required for expenditure or have been received towards some specific purposes.

2.8. **Investments of Designated Funds -**

The available investible Funds are invested in Term Deposits with banks, leaving the balances in the corresponding Savings Bank Accounts till further investments are made. Earnings on these investments are accounted for on cash basis and are added to the respective Funds and not treated as income of the College.

Investments are in the nature of Long-term Investments and are carried at their costs.

2.9. **Employee Benefits -**

2.9.1. Short Term Employee Benefit is recognized as expense in the Income & Expenditure Account of the year in which related service is rendered.

2.9.2. Post employment and other Long Term Employee Benefits are being treated in the following manner :

2.9.2.1. Gratuity - In view of the fact that, Gratuities and Pensions are being paid to the eligible retiring employees directly by the Government of West Bengal, provisions towards liabilities for the same are not being made in the accounts.

2.9.2.2. Leave Encashment on cessation of Service - The quanta of dues towards Leave Encashment, payable to the eligible staff members are being settled through the Department of Higher Education, Govt. of West Bengal on cessation of respective services. Further, expenditure towards Leave Encashment Salary is allowable only on actual payment basis under the Income Tax Act, 1961. Accordingly, the College Authority considers that, acknowledging the liability for terminal salary for Leave Encashment and creating a suitable resultant provision for the same, would be redundant. Thus, no liability towards the same is being provided for in the accounts.

Accordingly, in consideration of above deliberations, no liability towards Leave Encashment Salary in respect of a Non-Teaching Staff, who got retired in last year, was provided for in last year's accounts and the corresponding payment of Rs.4,25,330/- made during the year has been accounted for accordingly.

2.9.3. All the employees (both academic and non-academic) of the College have been privileged with the General Provident Fund facilities and hence, no provision towards Provident Fund dues has been made in the current year.

2.10. **Provisions, Contingent Liabilities and Contingent Assets -**

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that, there will be an outflow of resources to settle a reliably estimable obligation. Contingent liabilities are not recognised but are disclosed by way of Notes. Contingent assets are neither recognized nor disclosed in the Financial Statements. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

3. Grants-in-Aid :

- Grants of the nature of contributions towards capital expenditures are being credited to the Capital Reserve or respective Funds / Project, as the cases may be.
- Grants for meeting revenue expenditures are treated as income of the year for which they are realized, except that they will be treated as accrued income where sanctions have been issued either before the last day of the year or for the year and there is reasonable certainty of collection and realization.

4. Notes to the Accounts :

- During the second phase of Rashtriya Uchatar Shiksha Abhiyan (RUSA), the Scheme on Colleges with Potential for Excellence, administered by UGC has now been subsumed under RUSA 2.0, as Enhancing Quality and Excellence in select Autonomous Colleges.

One of the salient objectives of RUSA envisages identification and filling up critical infrastructure gaps in higher education by augmenting and supporting the efforts of the State Governments. Component 9 thereof, which pertains to Infrastructure Grants to Universities and Colleges, addresses this objective, where funds are sanctioned for upgrading the existing infrastructure by way of new construction, renovation or purchase of equipment.

Appropos to above, the College, on the basis of its Institutional Development Plan prepared for all components with financial proposals on parameters that capture its need-based requirements and as duly approved and integrated with the State's Higher Education Plan, has received a Grant of Rs. 1 Crore through the State Government in the year before last.

- The details of the related disbursements out of said Grant under RUSA Scheme along with the Refund of unutilised portions thereof, if any, are disclosed under suitable captions in Schedule - "28" to the Financial Statements. Simultaneously, the particulars of additions in various forms of Fixed Assets, procured out of said Grant have been tabulated in the relevant Column of Schedule - "18" to the Financial Statements against the concerned items of Fixed Assets. However, owing to subsequent detection of erroneous inclusion of "Equipment for Library" amounting to Rs. 8,55,500/- under "Library Books" (vide payment through PFMS. Advice No. C041906218282 dt. 25.04.2019 against Bill No. GW/1819-1298 dt. 23.03.2019 to Station Systems & Solutions Pvt. Ltd.) in last year, necessary rectifications and resultant adjustments have been carried out as detailed in said Schedule - "18" as well as in the General Fund during the year under report.

- The unspent / unutilised balance of Rs. 23,705/- out of the Advances given to the Howrah Zilla Parishad in the year before last in terms with the Detailed Project Reports prepared for the procurements of permanent and semi-permanent Assets has been received during the current reporting period. Owing to the prevalent impediments under the prevailing Covid -19 pandemic situation, the requisite paraphernalia as regards capitalization of the related expenditures could not be carried out during this period and would be undertaken in the ensuing Financial Year. Accordingly, the same is suitably disclosed under the Head "Disbursements out of Infrastructure Grant under RUSA" in Schedule - "28" to the Financial Statements.

- The unutilised portions of the said RUSA Grants have simultaneously been detailed and placed in the form of Schedule - "14" to the Financial Statements.

- As stated in earlier years, Rs. 846/=-, being a portion of the unspent balance of University Grants Commission (UGC) Grants represents Grants under UGC - XIth Plan for M.R.P in Humanities & Social Science, forms part of the Opening Balance of the unutilised portion of said Grants as on 01.04.2020, amounting to Rs. 33,829.15, which, in essence, represents the corresponding Closing Balance as on 31.03.2020 (Refer Schedule - "15"). The rest of the said Opening Balance comprises of Rs. 28,541.15, being the remainder portion of Grants received towards Salary to Substitution Teachers and the interests received from Banks holding the concerned Savings Deposits amounting to Rs. 4,442/=-.

- A Grant of Rs. 47,00,000/- was sanctioned in favour of the College by the College Sponsored Branch of the Higher Education Department (HED), Govt. of West Bengal towards construction of the Boundary Wall of the College premises under Memo No. 937 (Sanc) / EH / P / CS / 6B - 3 / 93 dated 29.01.2019. The permission for utilization of the said Fund till 31.03.2020 has initially been granted by the aforesaid Department under Memo No. 2060 - Edn (CS) / 10M - 122 / 2019 dated 19.12.2019 and got further extended till 31.03.2021 by means of its Memo No. 254 - Edn (CS) / HED - 17014 (23) / 1 / 2019 - CS dated 10.02.2021 through requisite drawals from the Deposit Account of Howrah Treasury - II.

- Accordingly, the above Grant Fund has never been under physical possession of the College Authority in the form of deposit credits in any of the College's Bank Accounts and has since been lying with the said Treasury. On the basis of above-stated initial sanction, the related construction work of the Boundary Wall has been carried out and completed as per the vetted and sanctioned Plan for the same to the satisfaction of all the members of the Building Committee. However, owing to the prevailing pandemic situation, necessary paraphernalia for processing the relevant Bill of the concerned Contractor towards the construction cost of the Boundary Wall and releasing the resultant claim could not be carried out till November, 2020, and hence, the above-stated extension.

- In view of above, Security Deposit @ 10% of the Taxable Value of the construction cost of the Boundary Wall has been obtained from said Contractor in February'2021 and the related transactions towards settlement of his claims have taken place in March'2021 through said Deposit Account of Howrah Treasury - II. The related disbursements out of said Grant have been capitalized under the Head "Boundary Wall" and are disclosed in the relevant Column of Schedule - "18" to the Financial Statements with equivalent credit to Capital Reserve for Grant received from HED, Govt. of West Bengal for above-stated purpose.

1. As per the extant norms, the individual employee-wise shares of net amount of Salaries & Allowances after deductions of respective shares of Provident Fund contributions, Profession Tax and Income Tax, are getting directly transferred and deposited to the corresponding individual Bank Accounts of the related staff. Thus, owing to the virtual absence of any scopes, either for receipts of the Govt.'s Pay & Allowance Grants or carrying out necessary deductions towards the above-stated heads or making disbursements thereof, the College has developed the normal practice of not depicting the related transactions through the Receipt and Payment Account, but is disclosing the same through the Income & Expenditure Account. Needless to mention that, the practice does not leave any unspent balance of these Grants.
2. As recounted in last year, pending receipts of the corresponding Grants, a sum totaling Rs. 51,100/- were disbursed towards Salaries for State-aided College Teachers (SACTs) out of College Fund in that year. Similar payments totaling Rs. 1,32,400/- have also been made during the current reporting period and the same is considered as "Salary Advances to SACTs" without routing through the year's Income & Expenditure Account and the same has been shown per se in the Balance Sheet.
3. Registration Fees collected from the students are clubbed with the quanta of College Fees and shown under the Head "Collection of Fees from Students" in the Receipt and Payment Account as well as in the Income & Expenditure Account.
4. Schedules "1" to "31" and Annexure "1" to Schedule Nos. "9", "20" & "21" form an integral part of the Financial Statements.
